**The end of a championship - but a New Beginning**

Posted On: 04/10/2015 00:48:48

The end of the Asian championship in Enoshima is a new beginning for the venue which will host the Olympic regatta in 2020. It is also a new beginning for lot of the young kids which came here for the weekend to race at junior techno cup.

And the winners are....find out in the video from last day of Asian championships 2015
